ELECTORS OF WISCONSIN!

REMEMBER that every voter cast for the so-called Democratic ticket at the State election on Tuesday week, is an endorsement of the starting doctrine embodied in the Dred Scott decree of the Supreme Court and the Connecticut letter of President Buchanan, that the U. S. Constitution carries with it and protects Slaves everywhere.

REMEMBER that the Republican party is the only party pledged to oppose and resist to the uttermost the extension of slavery into Territory now free.

REMEMBER that the Republican party is the only party which advocates the cause of Free Soil and Free Labor, and which maintains that Slavery is sectional, Foreign National.

REMEMBER that our Union was born, and our Constitution established, not to propagate and perpetuate Slavery, but "to secure to all the blessings of Liberty to ourselves and our posterity;" and that the mission of the Republican party is in strict accordance with the doctrines announced and the objects avowed by the fathers and founders of our Free Republic.

REMEMBER that this is a contest where a great and living principle is involved—the inalienable right of every human being to life, liberty and the pursuit of happiness—and that it is such a contest as becomes every Freeman to sustain his part towards assuring the maintenance of this great right.

REMEMBER that while the Republican party occupies this ground of active and determined resistance to the increase and aggressions of Slavery, the Slave Democracy either abut, or approach, in the demands of the Slave Power, and have joined hands with the unkindly crew who are against Freedom in Kansas.

REMEMBER that every vote cast for the Republican candidates, on Tuesday, the 3d of November, is a plumper for Fugitives and a protest against Slavery, and that, in such a contest, no true man will shrink from his post, or prove recreant to his duty!

In Cross &amp; Miller's

Some of the prominent Democrats in our city refuse to recognize the claims of Mr. Cross as party supporters, on the mere ground that he is the "negro nominator," because he himself nominated that obligation so recently as the 1st of October last spring. They openly assert that Mr. Cross is in full sympathy with the Slave Power, and have joined hands with the unkindly crew who are against Freedom in Kansas.

REMEMBER that every vote cast for the Republican candidates, on Tuesday, the 3d of November, is a plumper for Fugitives and a protest against Slavery, and that, in such a contest, no true man will shrink from his post, or prove recreant to his duty!

The Republicans so far have elected, as far as I know from 111 Senators and 25 Assembly men, and the Democrats 8 Senators and 17 Assembly men.
